### **We Out Here Juneteenth Event Radio Ad (30 seconds)**

**AUDIO:** This year, we're celebrating Juneteenth right. Join Langston in their mission to cultivate Black excellence with their "We Out Here On the Pier" event. With a DJ and live performances, you can get your groove on between mouthfuls of Southern comforts from Dat Creole Soul or Paparepas, or indulge that sweet tooth with All City's Ice Cream and fresh treats from The Donut Mama. When you take a break from the dance floor, be sure to check out our vendors and works from local artists in the pop-up art gallery. We'll see *you* at Pier 62 from 2pm-6pm on June 18.
